Healthy Fundraising Made Easy

Help Us Raise Money For Our School...

Online!

click4kids.com

I NEED YOUR HELP! My school is using the Internet to raise funds for a very worthy cause. I'd like you to shop at Click4Kids.com, where every purchase you make will benefit me and my fellow students!

▶ We chose Click4Kids.com because they offer **high-quality products** with the largest built-in school profit of any online fundraiser.

▶ They send us our money each month, so we don't have to wait for promised funds.

▶ We can easily track how much we've earned via the Click4Kids.com website.

▶ They handle the entire process, which means we don't have to go door-to-door or get our parents to sell in their work-places, so it gives us more time to focus on learning.

▶ They add new products every few weeks, so we'd love you to become a regular customer. You'll feel great knowing that **everytime you buy something, you'll be helping me and my classmates.**

We've decided to **fundraise the smart way** using Click4Kids.com, and we hope you'll help us by logging on today!
